**“A curiously unique lager beer with champagne yeast”**

A premium lager brewed in England and re-fermented with champagne yeast for a curiously distinctive, clean and refreshing lager beer. No taste of corporate cardboard. No whiff of market research. Just modern lager beer made to refresh and delight.

## VINTAGE RESERVE BRUT BY CHAPEL DOWN

One of England's best selling sparkling wines and a great example of a classic English fizz  
A crisp, dry sparkling wine, perfect for celebrations and events

Chapel down vintage reserve brut

£31.00

## PAYMENT/TECHNOLOGY

Apple Pay is now available to use here at The Piano Works and is simple to use and works with the cards you already have on the devices you use every day.

And because your card details are never shared when you use Apple Pay – in fact, they aren't stored on your device at all – using Apple Pay on your iPhone, Apple Watch or iPad is the safer and more private way to pay.

MyCheck enables a seamless pay-at-the-table experience at The Piano Works. Guests of The Piano Works are able to view, split and pay their bill straight from their smartphone without waiting for the check or the credit card slip, or the waiter coming over with a card terminal.

You can even redeem rewards and special offers which go straight into the till system and use any method of payment you want - credit card, debit card, PayPal, Google Wallet, Apple Pay and more. The result for you: Less time waiting to pay your bill at the table and more time singing and dancing with your friends.

Due to industry wide consumer demand for transparency around tips and service charge we at The Piano Works have decided to detail in our menus exactly how we share our tips and service charge.

Cash tips - Go straight to the server.

Service charge - The discretionary service charge paid by our honourable guests for the hard work and great service our team provide is taxed at 20% and goes to her majesty. 5% is retained by the venue to help pay for the payroll system for the tronc scheme only, administration costs and card charges only related directly to the tronc values. The remainder goes entirely to our team and is split based on points and number of hours worked by both our front of house and back of house teams.

New Legislation introduced in December 2014 dictates that all food (and drink) outlets must produce on demand details of allergen ingredients used across their entire menu.

Kafoodle is working with The Piano Works to create a closer relationship with customers and manage their dietary preferences from allergens to nutrition. By using the Kafoodle™ Kitchen software, The Piano Works can now easily make information about what you are eating and drinking more transparent and readily available.

Our aim is to create an environment where information about our food served here at The Piano Works comes directly from our kitchen to you on Kafoodle app. Please ask your server for more details.

FARRINGTON

## GROUP EXPERIENCES

### COCKTAIL MASTERCLASSES

- Classes last 90 minutes
- Group learns 3 cocktails
- Demonstration of different styles of cocktails & games

### CAN'T SING CHOIR

We take groups of people and turn them into a choir.

#### Our choirmaster says:

'Only a tiny percentage of people are actually tone deaf. Being told at an early age that you can't sing is as ridiculous as saying you'll never speak French. Lessons, practice and your favourite song breeds confidence and the emotional connection of singing in company is hugely bonding.'

- Classes last 60 minutes
- Group learns favourite songs
- Grand finale recorded
