LONDON'S ONLY NON-S

A vibrant, dimly lit live music venue. The scene is filled with a crowd of people, mostly seen from behind or in profile, looking towards a stage area. The lighting is a mix of deep reds, purples, and blues, creating a moody atmosphere. In the background, a stage is visible with a performer, and various pieces of stage equipment like speakers and lights are hanging from the ceiling. A sign with the word "MUSIC" is partially visible on the left. The overall mood is energetic and social.
