All dishes are made in our kitchen where nuts and peanuts are prepared, so any items served may contain traces of nuts. For more allergen information please speak to your server for our allergen matrix or scan the Kafoodle code. For severe allergens please make our party planners aware ahead of your booking.
A discretionary service charge of 12.5% will be added to your final bill.

TIPS AND BITS...

TIPS

Due to industry-wide consumer demand for transparency around tips and service charge, we at The Piano Works have decided to detail in our menus exactly how we share our tips and service charge.

Cash tips - go straight to server.

Service charge - The discretionary service charge paid by our honourable guests for the hard work and great service our team provide is taxed at 20% and goes to Her Majesty. 5% is retained by the venue to help pay for the payroll system for the tronc scheme only, administration costs and card charges only related directly to the tronc values. The remainder goes entirely to our team and is split based on points and number of hours worked by both our front of house and back of house teams.

Kafoodle

KAFOODLE

Legislation introduced in December 2014 dictates that all food (and drink) outlets must produce on demand details of allergen ingredients used across their entire menu.

Kafoodle is working with The Piano Works to create a closer relationship with customers and manage their dietary preferences from allergens to nutrition. By using KafoodleTM Kitchen software, The Piano Works can now easily make information about what you are eating and drinking more transparent and readily available. Our aim is to create an environment where information about our food served here at The Piano Works comes directly from our kitchen to you on the Kafoodle app.

Please ask your server for more details.

At The PianoWorks you decide our playlist!
